

Driving directions to the Vitalix Manufacturing Plant
in the Sioux Army Depot Industrial Park
Sidney, NE

Vitalix Manufacturing Plant:
3278 Road 101E
Sidney, NE 69162

Pickup times are from 8:00 a.m. to 4:00 p.m. only.

From Sidney:

- Drive 8.0 miles west of Sidney on **Hwy. 30**.
- BEFORE the overpass, there will be a sign that says "To I-80" pointing to the left. Follow this sign and turn left (south) onto **17C Link**.
Do NOT drive all the way to I-80 – you will be exiting BEFORE you get to I-80.
- Drive 3/10ths of a mile, then turn right (north) onto **Road 17A** (follow the sign saying "Industrial Park").
- Drive 2.1 miles north on Road 17A, then turn right (east) onto **Road 32S**.
- Drive 6/10ths of a mile east on Road 32S, then turn left (north) on **Road 101**.
- Drive half a mile north on Road 101 (the road will curve to the left), then turn right (east) at the white water tower onto **Road 32**.
- Drive half a mile east on Road 32, then turn left (north) onto **Road 101E** (Tri-State is on the corner).
- Drive 3/10ths of a mile north on Road 101E, and you will see several large, dark green tanks on your left, before the railroad tracks. That is the Vitalix plant.
 - You do not need to stop at any of the guard sheds.
- Turn left onto the dirt road just before the plant (along the south side of the building), and pull around to the west side of the building.
- **Do not pull into a dock or the building until you are checked in.** We are a first-come, first-serve facility based upon when you check in. If you back in before checking in you will go to the back of the line.
- On the west side of the building there is a small passage door to the left of the large overhead door – go inside and let the warehouse crew know you have arrived so they can check you in.
- **Have your Vitalix load number ready.** If you do not have your load number, you will not be checked in until you have it.

From I-80:

- Take **Exit 48** and turn north.
- Drive north on 17C link approximately half a mile, then turn left (north) onto **Road 17A**.
- Drive 2.1 miles north on Road 17A, then turn right (east) onto **Road 32S**.
- Drive 6/10ths of a mile east on Road 32S, then turn left (north) on **Road 101**.
- Drive half a mile north on Road 101 (the road will curve to the left), then turn right (east) at the white water tower onto **Road 32**.
- Drive half a mile east on Road 32, then turn left (north) onto **Road 101E** (Tri-State is on the corner).
- Drive 3/10ths of a mile north on Road 101E, and you will see several large, dark green tanks on your left, before the railroad tracks. That is the Vitalix plant.
 - You do not need to stop at any of the guard sheds.
